

June 2011

Dear Colleague,

## **Suffolk Year 12 Mathematics Team Challenge**

I am writing to invite you to enter **a team of four pupils** from Year 12 (2 boys/2 girls if possible). This is the fourth event that has been organised for Year 12 students, so we hope that you will be able to support it.

**Date: Thursday 7<sup>th</sup> July**

**Venue: King Edwards VI School, Bury St. Edmunds**

**Time: 4.30 – 7.00 pm**

- ◆ The challenge will take on a "pub quiz" format, where each team works on a problem, or set of problems, simultaneously in a non-threatening atmosphere.
- ◆ All questions will be "team questions".
- ◆ Questions will include recreational mathematics as well as some questions of a more "traditional" type. It is **not** intended to re-create an examination situation!
- ◆ Light refreshments will be provided.
- ◆ The teacher accompanying the team will be expected to support the event by marking each round.

Please ensure that your school has updated its annual registration with the Further Maths Support Programme at:

<http://www.furthermaths.org.uk/centre/index.php?centre=eastofengland>

Please will you confirm that you will be entering a team by email and then complete the enclosed entry form, returning it to me by **Thursday, 30th June 2011. Please enclose a cheque for £12, made payable to STOWUPLAND HIGH SCHOOL to cover the entry fee.**

I look forward to hearing from you soon.

Yours sincerely,

**Steve Wall**

**FMSP East of England Region**
