

Professional Development with the Further Mathematics Support Programme

# Statistics 1

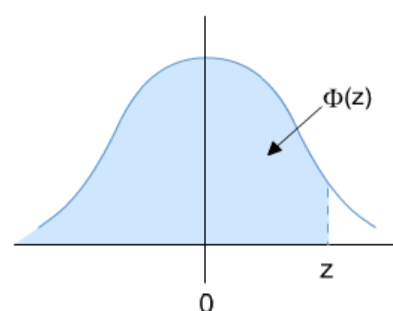

## CPD Day

at **University of Plymouth**

Thursday 30<sup>th</sup> June 2011

This course aims to provide an introduction to the content of a typical S1 module. It is primarily designed for teachers who have not delivered this module before and who want to increase their confidence and their knowledge of the content. It is also suitable for any teacher wishing to increase their confidence in this area. The six sessions to be covered are listed below:

**Session 1: Representation of Data**

**Session 2: Probability**

**BREAK**

**Session 3: Discrete Random Variables**

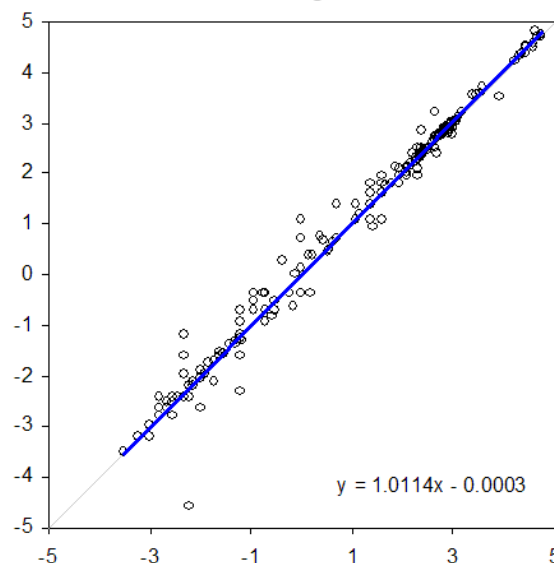

**Session 4: The Binomial Distribution**

**LUNCH**

**Session 5: Correlation and Regression**

**Session 6: The Normal Distribution**

The cost per delegate will be £120, or £60 for delegates from schools registered with the FMSP. This includes refreshments and lunch.
