

Taking Maths Further!

One day conference for able KS4 students

Wednesday 28th March 2012
University of Leeds
10am – 3pm

The conference will aim to extend students' experiences beyond GCSE.

We aim to inspire students to continue to study Mathematics at a higher level.

All students will be able to attend 3 out of a possible 5 sessions (the students will be allocated to these sessions).

The five sessions will be

- How to keep secrets
- Fun Maths
- Living in a Recursive Universe
- It's all a game
- Fractals

All students will be included in the final session -
The Maths of Video Games

The conference will require a refundable deposit of £100 and we will require a member of staff from each school to help with supervision of students. Places are limited to 10 students from each school.

Each school will be responsible for transport arrangements for their students.

Students and staff will be expected to bring a packed lunch with them.
